Dinâmica da cooperativa

INTERVALO

Desmontando o Computador

- Ferramentas
- Materiais de segurança

The image shows two men in dark blue uniforms, likely military or police, working together to adjust a green and black chemical defense suit on a mannequin. The man on the left is wearing sunglasses and has a patch on his sleeve that says 'ES'. The man on the right has a patch on his sleeve that says 'E'. They are both focused on the task, with their hands on the helmet and visor of the suit. The suit is green with black accents and has a blue label on the chest that reads 'R' and '2000-0'. The background is a plain, light-colored wall.
